Music Provision

We are pleased to have extended our offer of peripatetic music lessons to include piano, drumming, guitar and brass & woodwind. Piano and drumming are currently fully booked but we would be happy to add your child to a waiting list. There are a few spaces available for the other instruments. By the end of this half term, many junior pupils in both streams will have had a chance to learn to play a ‘P-Buzz’ wind instrument. If they would like to continue their interest it might be possible to get some help with costs from the Powys Music Development Fund. Alternatively, we can support any pupil in receipt of elective free school meals with the cost of music tuition for at least an initial trial period. Please
